Optimist

HAH... SO YOU FOUND OUT THAT THIS WAS ACTUALLY A CHALLENGE LETTER...?

I DON'T KNOW... I DON'T KNOW WHAT'S REAL ANYMORE...

Really... that even better! First of all, it was a challenge letter with that expression that everyone should not like the way giving a love letter. Second, you must have gone wrong in opening the letter incorrectly...

But no matter how bad you screw up, a love letter can't turn into a challenge letter, right? What should I do... Do I have to go on not seriously? This is so much more troubling than an actual love letter...!

And if that challenge letter is not for me, I have to fight with her...

It's actually something like that again, it's actually better...

HAH... WELL TRY TO THINK ABOUT IT OPTIMISTICALLY!

IF IT'S WASN'T FOR SOMETHING LIKE THIS, YOU WOULDN'T BE ABLE TO HIT A GIRL IN YOUR LIFE!

After that

You probably don't know me, but
I have loved you for a long
time. Although I usually
looked at you from afar,
I decided to show courage
and write this letter. If you
can listen to my story, please
wait for me at the tree at
the back of the school after school.
